Cats On The Prowl 4 (A Cat Detective Cozy Mystery Series)

Synopsis

The Cat Crusaders are on the case again, and this time, their investigations uncover a nest of corruption in the Nelson City Council. Every garbage collection company for miles around is bidding on the lucrative Golden Dumpsters contract, including a crime boss from the neighboring town of Growston, and he isn't letting anybody else get in his way. When one of the other bidders turns up dead on the tracks at the train station, Nat and Willow find themselves in a bitter rivalry with the Growston police cats to solve the case before the crime boss gets away again.

i hope she writes more like this , i love cats, and seeing them have an active role in the story, i just love it, i hopeshe writes more, i cant get enough of them. i have problems with most books staying interested in them, i skip pages , these kind of books i love reading and dont get distracted, the fact that there is no sex or violence in it helps too. i am an animal rescuer and see bad stuff all the time, so theses books help a lot to take me away for a little away from reality, i need stuff like this

I love all the books in this series! This one was very suspenseful and kept me at the edge of my

seat. I think I may be addicted to her writing lol...can not wait to get to the next book. Great writing skills on the authors part, not just for cat lovers!

The Cats on the Prowl series is intelligently written with enjoyment in mind. Nancy C Davis, the author, shows a wonderful look into the life of cats. With a twist or two. The main characters are police cats, Willow and Nat. Follow along as Nat, the cat with years of experience, teaches Willow, his new partner what it takes to be a Police Cat. To solve crimes and assist their human detectives, Naya and Carl. This is book 4 into this series. I've enjoyed the others so much, I set aside the book I was already reading as soon as this book was available. Can't wait for the next.

I really enjoyed this book as well. Just saddened me, because it the end. I'm hoping there will be a book 5 with those two police cats Nat and Willow solving crimes again.

I enjoyed this story very much. My family is developed policemen and my love of the kitties complete my fondness of reading these Nancy Davis books. . Keep them coming.
