# Beautiful Heartbreaker: A Pam Of Babylon Short Story

## Synopsis

The years of Jack Smith's coming of age were the best and worst of Manhattan. Crime was at its highest, the city stunk of urine, and graffiti covered everything within reach, Gays congregated in the Village or stayed in the closet. It was a time in the city's history in which living there was affordable and a possibility for all, the beginning of the Downtown art scene, and before the risk of AIDS ruined promiscuity. Beautiful Heartbreaker tells the story of Jack's transformation from a tragic childhood to a larger than life icon who took the city by storm. For followers of Pam of Babylon, Beautiful Heartbreaker fills in some of the blanks his death left unanswered. Will the mystery of Jack ever be unlocked?
