Bearded Dragons For Beginners: A Pet Owners Guide

Synopsis

Welcome to Bearded Dragons for Beginners by J Stemway. This guide will help lay down the foundation that is needed for owning a bearded dragon of your own. Bearded dragons are arguably one of the easiest lizards to care for as a pet but here are a few things you should be familiar with before deciding to bring one home as a pet. Here the author goes over most of the topics that you should be comfortable with when owning a bearded dragon. It details the nutritional requirements needed and the best methods for housing, heating and lighting. The author also offers tips on breeding and raising their young.

Customer Reviews

Wow, what a great book. The contains high quality details and explains everything about Bearded Dragons. The pictures are of high quality which clearly shows the dragons. From the types of bearded dragon to taking care of bearded dragons has really helped me in knowing more about bearded dragons. I recommend this book to anyone who wants to know more facts about bearded dragons as the book contains helpful facts with detailed explanation. 5 STARS

Will recommend to people who has bearded dragons very interesting book but call a serpent was weird never heard that before
