Seawomen Of Iceland: Survival On The Edge (Naomi B. Pascal Editor's Endowment)

Synopsis

The plaque said this was the winter fishing hut of Thurðdur Einarsdóttir, one of Iceland's greatest fishing captains, and that she lived from 1777 to 1863. "Wait," anthropologist and former seawoman Margaret Willson said. "She??" So began a quest. Were there more Icelandic seawomen? Most Icelanders said no, and, after all, in most parts of the world fishing is considered a male profession. What could she expect in Iceland? She found a surprise. This book is a glimpse into the lives of vibrant women who have braved the sea for centuries. Their accounts include the excitement, accidents, trials, and tribulations of fishing in Iceland from the historic times of small open rowboats to today's high-tech fisheries. Based on extensive historical and field research, *Seawomen of Iceland* allows the seawomen's voices to speak directly with strength, intelligence, and - above all - a knowledge of how to survive. This engaging ethnographic narrative will intrigue both general and academic readers interested in maritime culture, the anthropology of work, Nordic life, and gender studies.

Book Information

Series: Naomi B. Pascal Editor's Endowment

Hardcover: 312 pages

Publisher: University of Washington Press (May 11, 2016)

Language: English

ISBN-10: 0295995505

ISBN-13: 978-0295995502

Product Dimensions: 6.3 x 1 x 9.2 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Customer Reviews

This is so well written - I learned a lot about the Seawomen of Iceland, while enjoying the read. The author captures the spirit of the women beautifully. I also appreciated getting a better 'sense of place' than the usual guide book.
