Health: The #1 Health Book Bundle To Sizzle The Weight Off Your Body In 7-Days Forever! (Weight Watchers, Atkins Diet, Blood Type Diets, Low Carb, Healthy)

Synopsis

Health: The #1 Health Book Bundle To Sizzle The Weight Off Your Body In 7-Days Forever! This is a bundle of three of my top diet books each one compliments each other to help you lose weight at the maximum efficiency possible! Contains: 7-Day Ketogenic Diet for Beginners: To lose Fat, Cure fatigue and make you slim! Is a smarter and healthier way to look at the food you consume. Unlike "scam" diets, the Ketogenic diet takes advantage of natural body processes to help speed up your weight loss. The #1 Atkins Diet Guide to Free Yourself of Stubborn Fat and Permanently Keep It Off explains the different elements of the diet. You[™]ll learn how it works, and what you can do to get started today! Also Weight loss involves more than just cutting out certain foods from your diet â€” you need to replace your bad eating habits with healthy ones and you will learn how to do that! The Essential Paleo Diet Cookbook -Includes Super Simple 7 Day Paleo Diet Plan and The 10 Paleo Recipes! In this book were debuting our new scientifically proven 7-day paleo diet plan! Which has been specifically tested to get you the most results with the least amount of effort. Boost Your Weight Loss Without Starving Yourself in the Process! You don[™]t need a Kindle device to read this book â€” Just download a FREE Kindle reader for your smartphone, tablet, or computer! Read these books for FREE on Kindle Unlimited â€” Download Now! This could be what you have been looking to solve your weight problem and change your life. Stop being unhappy about your weight and do something about it! It is such a low minimal investment for what could potentially be such a high reward. The average American household spends about 25\$ a week on fast-food, think about spending 4% of that on an eBook that could change your lifeâ€” | Start becoming the person you deserve to be. Or ignore it, Hesitate which I know that is what 90% of you will do... Please don[™]t be that 90% that is just going to ignore this book/opportunity continue on with their excuse my language shitty life where they eat the same shit food that makes them feel like shit then they go there shitty full-time job that they hate and then they come home and watch the same shitty TV. Day in, Day out and they just repeat the cycle. Don[™]t do that! Break the cycle! Be that 10% that takes action like I said it[™]s only 4% of what you would spend a week on junk foodâ€” | Don[™]t wait another minute - Order your copy of Health: The #1 Health Book Bundle to Sizzle the Weight off Your Body In 7-Days Forever! Today! This book is currently priced at 0.99\$, but will rise to 3.99\$ soon so don[™]t hesitate! You[™]ll be so happy you did! Just hit the big orange button that says â€œBuy now with 1-clickâ€” • at the top right corner!

Customer Reviews

This bundle comes at a fantastic price considering the content in it. It contains ebooks on the paleo diet, the atkins diet, and the ketogenic diet. These are each laid out in pretty much the same format which I do like because it just means each diet is as easy to follow as the other. The focus on a 7-day meal plan seems like a good starting point for any beginner and the shopping lists aids this very well. There's even tips for not only beginners but more advanced dieters and the mistakes to avoid section is helpful for keeping on track. I would recommend this to someone looking to try out different diets for the summer months.

This a phenomenal weight loss bundle especially if you want to lose weight for real. All three diets are close to each other -- the ketogenic and Atkins are based driving the body into a ketones state where you are you are burning fat. The Paleo diet is very similar but more natural in nature in that you eat no processed foods. All three diets are well researched, and offer shopping lists, some pretty tasty recipes which is one of the hardest thing on these three diets, but the books offer many great easy to fix recipes.

I was asked by the author to share my honest thoughts about this books. After reading it, i can honestly say that this are a high quality books. This books provide some really good information in diffeterent tipes of diets. I'm always reading about diet and how to be healthy, and this book really provide me good information in this tipes of diets that I will try soon.As you can see, this book can really help you with your health, so i really recommend this book!

This is a great, no-nonsense book that tackles the general subject of health, nutrition, and weight loss. This isn't one of those fad diet books, and is for people who are serious about getting their health in order!

Thank you for compiling these all into one so I didn't have to get them all seperate! There is some great value here. Really like the meal plans and i am going to be using this as a reference for some great tasting food that will also help me get to my desired weight!i'm down 20 since December - 20 more to go!!!

Quality book bundle! I've been interested in these types of diets for some time now and while I feel I was decently familiar with the concepts of each of the diets, these books described the subtle differences between the 3 of them that I was unaware of. Definitely made things a lot clearer. I love how all of them are clear and concise in terms of providing the necessary information without a lot of added filler. I recommend this book bundle to anyone looking to lose some weight or just improve their overall health.
