Customer Reviews

I felt so inspired by the prayers in this book. I felt Gods presence on each and every page. This showed me exactly what I want and need in a husband. I'm so excited to begin a prayer journal solely for my husband b/c I know God has some tremendous things in store for our future and it's starts with prayer. I know it's already done but I need to pray for God to release his blessings in my life.

This book has ministered to me...even though I followed along free on Facebook I felt the need to have the book to read over and over again.

This book was so timing and conformation that I'm on the right track!! I will share this book with others it was truly a blessing to me!!!
