Customer Reviews

The book had several excellent points going for it. 1) Price great for bigger paperback. No need for hard cover. 2) Totally readable with humor not over the top and 3) Gave understandable explanations without sounding condescending. Highly recommend this book.

good general basic digital knowledge book, easy to read and understand.

very helpful, I am highlighting in it just like back in college. And it goes slowly so you can absorb the info

Still reading and getting educated, however, I'm anxious to start using this knowledge. Very informative, photos, examples, etc. are clear and concise. Highly recommend!
