## Customer Reviews

Too bad has decided to rip me off for \$50.00 when I have ordered tons of stuff from them since 2005. I am not longer an customer now. They never sent a gift card I purchased and when I called

about they put the money back in my account. They then took it from my account before I could use it and put it in a total strangers account and refuse to refund me. BEWARE. It is impossible to reach anyone. No one speaks English. When I finally got someone after literally hours on the phone I still did not get any help.

A rather primitive read. Really meant for the beginner cook. There are recipes included that really require time for flavors to blend, they shouldn't be included here!

Excellent supplement to the cookbook shipped with the Instant Pot.

No frills cookbook, but loaded with really good easy recipes.
