Confessions Of An Illuminati, Volume I: The Whole Truth About The Illuminati And The New World Order

Synopsis

In English for the first time, a guide to the true secret structure of the Illuminati and their invisible network. Author Leo Lyon Zagami uses the Illuminati's internal documents and reveals confidential and top-secret events. His book contends that the presence of numerous Illuminati brotherhoods and secret societies "just as those inside the most prestigious U.S. universities such as Yale or Harvard" have always been guides to the occult. From the Ordo Templi Orientis (OTO)'s infiltration of Freemasonry to the real Priory of Sion, this book exposes the hidden structure of the New World Order and the occult practices of the various groups involved with it, including their connections to the intelligence community and the infamous Ur-Lodges.

At last, after many years and a long wait, following the ground breaking book "The Last Pope" is published for the first time in English the first volume of "Le Confessioni di un Illuminato" tetralogy "the Confessions of an Illuminati" by Leo Lyon Zagami, a genuine Italian Illuminati who proves again to be an authentic keeper of the ancient knowledge and an authoritative writer possessing a total mastery of the subject. Devoted to disclose the occult agenda of the Dark Illuminati to the public, and to spearhead a wake-up call in order to impede as much as possible the advent of a totalitarian Global State, set up behind closed doors by a self-proclaimed elite that has gained over time tremendous power both on the temporal and spiritual sides of the world, Leo Lyon Zagami exposes in the most exhaustive way the various occult organizations that have made a

commitment in the most hideous activities in order to reach their goal of egotic fulfillment and total dominion over the Earth, for the sake of some demonic occult powers threatening, literally, to put an end to humanity and its cultural heritage as we know it.
