ISBN-10: 1534985778

ISBN-13: 978-1534985773

Product Dimensions: 6 x 0.1 x 9 inches

Shipping Weight: 4.3 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars • See all reviews • (41 customer reviews)

Best Sellers Rank: #1,585,706 in Books (See Top 100 in Books) #168 in Books > Humor & Entertainment > Puzzles & Games > Blackjack

## Customer Reviews

NOTE: Within 24 hours of posting my review, I've gotten a non-helpful rating for it. So have all the

negative reviews (every review in the last month has been negative). Potential readers can gauge for themselves the type of person they are dealing with in Jeremy Lyles. Before I get into my review of "Blackjack Strategy" by Jeremy Lyles, I'd like to give readers a few statistics. Not blackjack statistics but review statistics. As of this date, there are 24 five-star reviews of this book. Every single one of them is by a reviewer whose ranking is four million or higher. Many of them have rankings of 13 million or higher. None of them have reviewed any books other than this one or one or two of White's other guidebooks. There are five negative reviews of this book (mine is the sixth). All of them received a "not helpful" vote from some would-be reader who I strongly suspect is Jeremy Lyles. Based on those statistics for "Blackjack Strategy," which are fairly common for self-published "guidebooks" of this sort, the following review, by a real reviewer, should come as no surprise. "Blackjack Strategy" is yet another of the worthless self-help guides that proliferate on and hope to make a quick buck (or in this case \$2.99, the usual selling price for White's "guidebooks") from someone actually looking to get some help. I got it for free as a promotion, but I fear others won't be as fortunate. I'm fairly knowledgeable about blackjack, having played for many years, and I didn't expect to learn much here, but my review isn't based on what I learned (nothing) but on what an average, relatively inexperienced player would learn (virtually nothing).
