# How To Do Your Own Divorce In California In 2016: An Essential Guide For Every Kind Of Divorce

## Synopsis

With *How to Do Your Own Divorce in California* in 2016, Californians can obtain an uncontested divorce without hiring an attorney. Even for couples using an attorney, this book is an essential guide to making things go smoother and includes new and revised court forms for readers. The first part of the book explains in detail how to divide property and settle custody, visitation, and child support issues. The second part is a step-by-step guide through the court process, including how to complete important forms, when to file them, and how to get through a court appearance or even avoid it altogether. The included CDROM features demo versions of Nolo's CalSupport child and spousal support calculation software, Nolo's DealMaker Settlement Agreement software, and several other bonus items.

## Customer Reviews

Divorce is difficult.....it's good to get all the info you can & this book helps...

Great book! I was able to do my own divorce with no issues.

Very helpful during a stressful time .

This is the best book out there. Current and very helpful. However, have a good competent lawyer standing by just in case everything goes south and the expertise of a lawyer is needed.
