Reglas En La Escuela (Rules At School) (Spanish Version) (Nonfiction Readers) (Spanish Edition)

Synopsis

No running. Raise your hand. Take turns. Use inside voices. Following rules at school is very important. Featuring vivid photographs showing children following rules at school -- and some not following rules -- this book engages children with key words to focus on and allows them to use oral language skills to create a story on their own about following rules by observing what they see in the photographs.
