# Hollywood Window To The Stars, Volume 2: More Revealing Facts About Hollywoods Biggest Stars

## Synopsis

Hollywood Window to the Stars Vol 2 takes a critical, no holds barred look at numerous legends of the movies, from Veronica Lake to Frank Sinatra, and re-examines them in light of the veritable mountain of new information available today. These are not detailed biographies as such, but envelopes of trivia, scandal, viewpoints, accomplishments, failings, character flaws etc. Each one liberally sprinkled with quotes by and about the individuals examined. You will find your idols (in most cases) were far from perfect. This volume also contains a load of fascinating extras toward the end of the book.
