Customer Reviews

Thai food has always been among the favorite food list of people around the world. It provides an in depth clarification over how Thai food is made and eaten by people of that origin. I must say it a very useful piece of information for people who are food lovers. I would recommend and mark this book as a must buy for every cook. There is a bunch of information in book from appetizers to salad, from lunch to dinner and many more.

I love this book so much. Everyone need to try this out once. Thai recipes are delicious with my moms cooking. now my whole family love this extra ordinary recipes. This Book Contains Effective Strategies And Easy Tips On How To Facilitate Yourself And Amaze The Guests By Preparing Delicious Thai Recipes At Home And Unique Way Of Serving It.Its really a worthy book and suggest this to everyone.

Absolutely the best Thai cookbook I've found so far. Everything I have made has turned out amazing and also tastes like the food I got to eat while in Thailand. The recipes are easy to follow and have been well thought out and the author also does a good job of giving you information to help build your knowledge of how Thai cooking really comes together. This book also has some great resources in the back for finding some of those hard-to-find ingredients as well as recommendations on which commercial curry pastes are worth buying.

Mouth watering dishes, Yummy. I liked this book very much, It has exhaustive collection of Thai recipes. I was amazed by the variety of Thai food. I like Thai food a lot. Recently went to Thailand and tasted Tom-Yung-Goong and mango sticky rice. I'll never forget the taste of these food. Hats off to Thai food. Book is simple and well illustrated. Highly recommended.

Very delicious recipes! Got this book because I have heard from my Chinese friends about Thai Cuisine. Different cuisines will indeed take you to different places even without travelling. The recipes in this book are delicious, easy to follow, and nutritionally beneficial. I highly recommend this book for anyone trying to experience the amazing recipes of Thailand.

Exploring the secrets of making the great Asian meal with the recipes and the information provided in this book will help you get to the good taste, following the step by step procedures as provided in this cookbook. The information is quite important to the beginners and the starters.

This book contains proven steps and strategies on how to prepare and enjoy delicious Thai dishes right in the comforts of your own home. This book will help you cook easy Thai dishes without the jargon. It also discusses the proper way of serving the dishes in a traditional Thai way.

Great cook book! I love Thai food and Thai is one of my favorites. That is why I got this book and must say I am super happy with it! The food was tasty the ingredients are healthy. This book simplifies Thai cuisine so that you can recreate traditional Thai dishes, and experience the beautiful balance of flavors that is inherent to South East Asian cuisine.
