# Technical Communication With 2016 MLA Update

## Synopsis

THIS TITLE HAS BEEN UPDATED TO REFLECT THE 2016 MLA UPDATES! Our editorial team has updated this text based on content from The MLA Handbook, 8th Edition. Browse our catalog or contact your representative for a full listing of updated titles and packages, or to request a custom ISBN. Instructors know that Mike Markelâ€™s Technical Communication will prepare their students for any workplace writing situation. No other text offers such a comprehensive introduction to the field while still delivering practical, effective support for students at every level. The eleventh edition has been thoroughly revised to reframe the work of technical communicators in the context of todayâ€™s highly collaborative, rapidly evolving digital practices. Fresh, social-media driven sample documents and coverage of the latest tools and technologies ensure that students work with the kinds of processes and products theyâ€™ll encounter on the job. The text is now accompanied and enhanced by LaunchPad for Technical Communication, an online course space with an interactive e-book, multimedia sample documents for analysis, tutorials on digital writing tools, a new test bank, Learning Curve adaptive quizzes that give students more ways to master the material, and much more. Get all our great course-specific materials in one fully customizable space online; then assign and mix our resources with yours. See what's in the LaunchPad
