This book contains proven steps and strategies that will help you improve your sex life, which is an important aspect when it comes to building and maintaining healthy relationships. As a woman, it takes more than just good food and beauty to ensure that your man is fulfilled and satisfied. This is probably the best book I've read on the subject of having better sex. It gives tips on how to set the mood, how to get each other in the mood, and different spontaneous things to try! Good ideas, it gave me some ideas to improve my sex life. Overall, I definitely recommend this book. It's very interesting and it will definitely come in handy. Can't wait to try it!

This is probably the best book. The book is a good guide book to make your alone time more interesting. The techniques seems very unusual to me but I guess these works. This book also mentioned few sex positions for woman what makes a man more comfortable and happy. It's talks about the woman preparation before having sex. The book is a good, I recommended it.

It was a great read. This book talks about how a woman can make a man scream on her bed. This topic is pretty much interesting and helpful for happy sexual life. This book share few common mistake what every woman do during sex. This book also mentioned few sex positions for woman what makes a man more comfortable and happy. It's talks about the woman preparation before having sex. I'm very happy to get this book I will share this book with my girlfriend.

This book is amazing and helpful. A recommended book indeed as pleasing your sexual partner is one factor of having a healthy relationship and this book helps a lot on achieving it. The book gives many ideas for new poses in order to have the best experience ever. What I most like about this book is that is well written, everything is well explained and detailed. This is definitely a book that every couple should own.

A good sex life is very important in sustaining a happy relationship. This book has been a great in improving this aspect of my life. The topics discuss here are very interesting and helpful. Also included are the mistakes women usually commit during sex. It also gives ideas on what positions to do to make oneâ™s sex life more satisfying. This is a book every couple should read.

Full of great information. I found this guide very interesting and motivating to read. This is just an amazing book that will really spice up your relationship and it's very well written and gives wonderful insights to your partner. It can bring happiness with the relationship and to ensure that your man is

fulfilled and satisfied. I will highly recommend this book to anyone.

This is a very good sex/relationship guide book for women. Things are explained easy and it's enjoyable to read. Sex advices are nice and not difficult. Why three stars? I found out that I need something more. I need sex techniques that gives more adrenaline or I try sex advanced book. I hope the author T.J. Blue writes new sex book in the future, because I like the style from this book.

I have to say it was really fast shipping, didn't pay a dime mind you. I've always been shy to talk to my parnter In a dirty way because I never knew what would be the right words to say. This book is filled with phrases that you may already kniw, most of them I do butthe part I like is with each one the author gives you a better understanding of each phrase, true meaning, feelings, ect. It helps you chose the right sentence with actual feelings and not for just being in the mood
