If you are reading this, please read the whole thing. I just want to let you know that I was totally speechless about this whole series I read advanced book like divergent, and the box set for this series is somewhere in my top five books of all time. I insist that you read the whole series, and I hope that it gives you as much joy as it gave me. If one of the authors is reading this right now, then thank you for giving me a good read that I have already read 3 1/2 times.
