# The Divine Liturgy: Insights Into Its Mystery

## Synopsis

Without doubt, the gravest symptom in the crisis the Western Church is currently undergoingâ "the effects of which on art have already denounced in the authorâ ™s book *The Symbolism of the Christian Temple*â "is the calling into question of the very meaning and content of the Mass, given that it is the heart and vital center of the Church. The intention of this book, however, is not to engage in theological disputes directly, but rather to survey the field from the vantage-point of the history of religion, and to unravel the characteristics of the Christian liturgy that link it to the universality of the sacred. â œThrough his research into hidden or lost meanings, Jean Hani has revealed and restored to our attention the most â "initiaticâ ™ dimensions of the Christian religion.â • Jean Borella, author of *The Secret of the Christian Way*, and *The Crisis of Religious Symbolism* (forthcoming from Angelico Press)
