Reinventing Ikea: 70 DIY Projects To Transform Ikea Essentials

Synopsis

Ikea is a destination for everyone who wants to simplify the process of decorating a home. Offering modern, ready-to-assemble furniture, Ikea proves that spaces can be functional and affordable. But sometimes youâ™re left wanting more: furniture thatâ™s adaptable, creative, and most important, in line with your taste. Reinventing Ikea shows you how. The book features 70 customization projects conceived from popular Ikea products. Authors Isabelle Bruno and Christine Baillet share the best DIY projects for every room in your homeâ”from the bedroom to the kitchen, the living room to the office. Organized by four levels of difficulty (easy, intermediate, advanced, and expert), the projects are perfect for anyone interested in quick craftsâ”like a cake standâ”or more involvedâ”like constructing a kitchen island or a Mondrian-inspired desk. With a complete list of the materials needed and easy to follow step-by-step instructions and photographs, Reinventing Ikea is the essential guide to personalizing your home with Ikea furniture.
