## Customer Reviews

It tells the law word for word. But, you could just as easy look it up for yourself. I did not buy the new book for class, I got this you that was so much cheaper and I have had no problems with it. The law's really do not change year to year.

What can I say . . . it's a statute book . . . no frills, but if you are taking a commercial law class, then this is a great book to have.

Very useful for anyone taking a class that requires you to follow the UCC.
