## Customer Reviews

I live for RuPaul's Drag Race and Mad Libs so combining both is amazing for me ! The stories are hilarious and so much fun! Great for parties or nights in. It's very small in size which makes it easy to take along and store.

This is a really fun product for fans of the show. Combines the fun of mad libs with references to the show. The little stories always start out pretty hysterical. It's pretty slim, but long, so if you have a bag big enough to carry a book around in, you can slip this in there with it.

Great gift! I saw this in Barnes and Nobel for MUCH more, and my sister fell in love with it, so I found it here for much cheaper and surprised her with it. She really enjoys it.

very fun!! FUNN!!!!

Really fun - I love drag race and I love mad libs so this is the best of both worlds for me
