## Customer Reviews

I was torn doing this review. It's the UCC and therefore boring and I hate it, but the book was in great condition, and well, was exactly what I was expecting and needing. Skimming through the appropriate statutes made me realize how much I'm going to hate my Negotiable Instruments course but if I need it for the bar then I guess I better learn to like it for now.

Great book came as described. Nice and tabbed up actually, which made my life easier. #lawschool

The layout of the statutes in this compendium are disappointing and make for a difficult read.
