# Cracking Coding Interview Like A Pro: A 10-Day Interview Course

Synopsis

This book is for those who are planning to get a job in software engineering, no matter whether you are a student or an experienced professional. Multiple rounds of coding interviews are a standard way to access the engineering ability, thus the performance in these interview directly affects whether you will get an offer and if so, how good the offer package will be. This book is intended to be a 10 day full time course and it is ideal to complete one chapter per day. Keep practicing and you will achieve the best performance in the coding interviews!
