## **Customer Reviews**

I downloaded this under the name "Fairy Tales for Atheists". It's a bunch of short stories that interconnect. It's written like a play, or a dream, or rather how a drunk would recite a play or a dream. Written so very much like Douglas Adams, (you know, Hitchhiker's Guide.) I liked this so much, I had to write a review before I even finished! Sarcastic, ironic, frantic, witty, dry, as eradicate as a schizophrenic and utterly fantastic!

Clever, outrageous and thoroughly entertaining stories with a common thread. Very funny, with beyond-quirky characters and irreverent, outlandish story lines. Highly recommended.
