# **The ABA Guide To Assisted Reproduction: Techniques, Legal Issues, And Pathways To Success (ABA Consumer Guide)**

## Synopsis

For some hopeful parents, traditional methods of conception and carrying a pregnancy are simply not an option. For these parents, assisted reproductive technology (ART) provides a mechanism to achieve pregnancy and birth, whether through assisted insemination, in vitro fertilization, or gestational carriers. The ABA Consumer Guide to Assisted Reproduction explains the available ART options; the process for choosing a medical provider and legal representative; understanding and entering into appropriate agreements; and the unique issues that may arise pre-and post-birth. Written by attorney Jeffrey Kasky who has operated a surrogacy service for several years, the book will help to demystify the technology and give consumers the confidence and knowledge they need to achieve their goal of parentage through ART.

## Book Information

Series: ABA Consumer Guide

Paperback: 224 pages

Publisher: American Bar Association (October 7, 2016)

Language: English

ISBN-10: 1634250176

ISBN-13: 978-1634250177

Product Dimensions: 8 x 0.3 x 10 inches

Shipping Weight: 9.8 ounces (View shipping rates and policies)
