## Synopsis

DIARY OF A MINECRAFTER ADVENTURES: The Minecraft Nightmare (An Unofficial Minecraft Book For Kids) Did you know Minecraft is real? I didn't, either, until I woke up in Minecraft. Something took me there, and before I knew what was happening, I was being chased by a bunch of creepers through a forest. I made some friends, fought some monsters, and went on a CRAZY adventure. You don't believe me? Just read my diary and you'll see what happened! Have you ever wondered what it would be like to be in Minecraft for real? In this book, a young adventurer finds out when he's magically teleported to Minecraftia, the place where creepers, skeletons, ender dragons, and zombies are all real! Are you up to the challenge and ready to enter Minecraft? Do Not Delay Anymore! Download Your Copy Today! NOTE: This Minecraft book is FREE with Kindle Unlimited!

## Customer Reviews

I have a nephew who loves Minecraft and I always look for something new to show him. This book is very different from the other Minecraft books that I've read in the past because it features characters that are new to both of us. The nightmare story is super adventurous and he really

enjoyed reading this one that he was even acting out the roller coaster scenario. I think that the highlight of this book that really triggered our imagination was the wizard. Pretty cool Minecraft based story.

After read this book i love to play this minevraft. This is an interesting read the book is awesome well written and easy to understand. I just hear about this game now i have knowledge about this and my daughter also like this game and happy to read this book thanks.

My favourite computer game is Minecraft, that's why I was interested in reading this book and after finishing it, I wasn't disappointed. I was amazed by the author's great style, the story was so realistic because of the first-person point of view. In coclusion, I really loved it!

I bought this book because my niece is addicted to this game. I wanted to tell her a story based on this game and to my luck this book is really entertaining. From the start of the journey up to the end my niece is all eyes and ears on me. haha!

Such a lovely read. Loaded with great adventure that a reader can enjoy. You will not be disappointed with the content of this book because it is so much fun to read. I even re-read it after reading it the previous day! Amazing and entertaining story. I will let my nephew read this when I visit him. I am sure he will love it.

I feel very delighted to read this book. Aside from it is so entertaining, I also felt super comfortable with the book. It contains great story. This diary is more exceptional than the others that I have read before. I can say that this one is my favorite already. I am so happy I was able to grab it at its lowest price!

So happy I was able to grab this book! Thanks a lot, Minecrafter World! A great minecrafter adventure that you will really love. I would highly recommend this book to anyone! Not only it feels good to read it but you will as well enjoy it so much. I knew it because I have also experienced it. So happy to have it.

I will definitely keep this eBook on my Kindle device! The story rocks and so entertaining. I definitely enjoyed it. Well written book. There are a lot of amazing and fascinating scenes along the way. It

makes me more eager to flip from pages to pages.
