For someone who just started to play Minecraft. It was very good to come across this guide. This game is super fun and following the helpful tips in this guide is already improving the way I play and my strategy in this game. Great quick read to excel in Minecraft!

I am glad that I chose the book. The book helped my son to create more amazing stuff in his Minecraft world. Today I think that Minecraft game teaches you survival skills, and even more engineering. It is a guide to get out of the start stage of Minecraft as quickly as possible. Worth to buy the book!

Very useful book for parents. For me, as mother of the 7-year-old child, it was very interesting to find out, what is the Minecraft, who is Creeper, Steve, about whom's she tells very often. Thanks to Author, and waiting for continuation!

If you are interested in Minecraft this book is definitely for you. No questions left. Good luck and thanks to author! Five stars.
