Synopsis

33 Prostate Cancer Meal Recipes That Will Help You Fight Cancer, Increase Your Energy, and Feel Better: The Simple Solution to Your Cancer ProblemsBy Joe Correa CSNCancer, in general, is a well-known disease that attacks many organs and other parts of our body, somehow it increases the abnormal growth of cells causing the spread of carcinoma in a process called metastases; although there are many treatments for cancer they are extremely invasive, and can many times kill good cells in the process. Prostate Cancer is a main concern for many men these days.Preventing cancer is all about developing a style of life that involves a healthy diet and physical exercise. Being conscious about your food intake is the first step for a healthier life. To do that you should be aware of the qualities and properties of the foods you eat as well as the best way to cook them to get the maximum positive effects. The purpose of this book is to provide you with newer and better ways to nourish your body with non-processed foods, and in the process, changing your old eating habits for more promising ones.Eating healthier can be delicious if you know what foods to combine and how. Eating smarter will drastically change how your body is able to use the vitamins and minerals you feed it to boost your immune system and prevent you from any kind of disease. Add these recipes to your day-to-day life to prevent and fight prostate cancer.
