# Cases And Materials On State And Local Government Law (American Casebook Series)

## Synopsis

The 8th Edition continues earlier editions' focus on the critical roles played by states and local governments and the complex structure of our state-local system. It challenges students to understand the competing models of local government that frame the field. It then takes that theoretical analysis to the hands-on questions of local government formation and boundary change; home rule and state-local disputes; interlocal conflict and regional governance; spending, tax and debt limits; and service delivery. This Edition contains a new treatment of fiscal distress and municipal bankruptcy, and examines the state and local roles in such cutting edge issues as fracking, school finance, promoting social and economic equity, and economic development.

## Book Information

Series: American Casebook Series

Hardcover: 1164 pages

Publisher: West Academic Publishing; 8 edition (May 17, 2016)

Language: English

ISBN-10: 0314285016

ISBN-13: 978-0314285010

Product Dimensions: 10.1 x 7.9 x 1.8 inches

Shipping Weight: 4.3 pounds (View shipping rates and policies)
