Customer Reviews

My book is so dog-eared it is almost twice as thick as the original! The book is replete with short exchanges that reveal human foible, skewer pomposity and give solid evidence to the all-to-common, yet painful, truth of living in a society where the law is an essential ingredient to necessary order. At times I found myself laughing out loud for minutes at a time. Other times, I had to put the book down to reflect on the truth revealed in words uttered from the mouths of laymen. If you know and love lawyers, get frustrated in legal processes or just want a riotous, light-hearted read, this book is for you.

I don't understand why the other reviews actually appear since not of them directly apply to the 2012 Day-to-Day Calendar. Must get a lawyer on this case immediately !Life is funny. Law is funnier. Once a day, you get an insight on how we, the lawyers, poor confused individuals, try to make sense out of conflict and make money out of other people's problems.Lawyer jokes, stupid laws,

real court conversations, it's a mixed bag of everything weird and humorous that is the light and funny side of our profession. A good gift for the lawyer in your life.

These Jokes, quotes, and anecdotes are hilarious! I work for an attorney and gave this calendar to him for Christmas. He loves it! He often calls us to his office to read today's joke, quote, etc. We all find it both enlightening and humorous. A great way to start out everyday. I highly recommend this calendar to anyone, no matter who you are. You will definately enjoy it!

Lawyers: Jokes Quotes and Anecdotes: 2012 Day-to-Day Calendar is no different than any regular Kindle book; you can leave notes and highlights, but using this as an appointment or day calendar will not work out. If that is your intended use, you should not buy this Kindle book. However, if you like a good joke book about lawyers and law, then this calendar book will be worth your time. The content is pretty funny for the most part. Some jokes can be hit or miss but most are written that even a lay person (non-expert, i.e. lawyer) could laugh and enjoy them.

I thought this was a wall calendar and was somewhat disappointed to see it is a desk calendar, but it's still funny. Having worked for lawyers for years, it never hurts to keep the boss in line by letting him ready some of these quotes!

This is really a daily calendar for 2012 with a joke on each page. I misread what I was ordering and thought it may be a book of jokes. Oh well. It was worth the price.

This looked like it would be hilarious. However only a very few of the comments were humorous. I would say it was a great idea with adequate results.
