# Soul Psalms: Poems

## Synopsis

Soul Psalms, a collection of poems from Zimbabwean American poet U-Meleni Mhlaba-Adebo, is filled with lyrical and vivid imagery that takes you on a emotional journey toward finding self. Exploring themes of family, love, body image, acceptance, and belonging, Mhlaba-Adeboâ™s words flow melodically and powerfully, bringing readers to a place of peace. The themes in Soul Psalms may be personal, but they appeal to a universal pull: the desire to become.

## Customer Reviews

This book is stunning: Whether it's Truth or Prayers or Love, the words leap off the page with such energy and passion. I was lucky enough to hear her read her work on a beautiful summer afternoon at the Longfellow House in Cambridge. Of course, I had to buy the book. In a very personal and accessible way, she leaves us with a renewed belief that there is hope for this world.

I loved this book because of the emotions expressed in the writing. The author also happens to be a personal friend from high school so I have followed part of the journey that has brought her to this and I feel very proud to know her!

Speaks to the soul. Powerful. Moving. Beautifully poignant.
