Customer Reviews

The Pacific Billionaire's Proposal was my first read by author Toni Kenyon. And I hope it's the start of many more incredible stories. From the beginning of the book I fell in love with the story of Adam and Zoe. Both Adam and Zoe struggled with demons of their past. But as their love grew they were able to trust in each other they were able to come to terms with their demons together . I highly recommend readers to grab this book you won't be disappointed.

I am a new reader to Toni Kenyon and I really like her writing. She kept me engrossed into her story. I intend to follow her future books. Great Read.

I believe that you will enjoy reading this as much as I. Ms. Kenyon did a wonderful job of holding my attention to the end.
