Nutrition & You Plus MasteringNutrition With MyDietAnalysis With Pearson EText--Access Card Package (4th Edition)

Synopsis

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a Course ID, which your instructor will provide. ^ Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. ^ A visual approach to Introduction to Nutrition for Non-Majors. This package includes MasteringNutrition TM with MyDietAnalysis TM . ^ Guide students to a deeper understanding of nutrition The Fourth Edition of Nutrition & You provides students with a personalized approach to understanding nutrition and teaches them to become informed consumers of nutrition information through interactive lessons, practical applications, and visual study tools. Joan Salge Blake writes in a very engaging style, addressing the student directly, using visual analogies in order to explain concepts, and captivating students with humor. Blake encourages students to think critically and relate the science of nutrition to their own dietary habits, enabling them to separate fact from fiction and to distinguish high-quality nutrient sources from those of lesser quality. ^ New additions to the Fourth Edition include a clearly defined learning path with the inclusion of learning outcomes throughout the chapter, cutting-edge content on the latest dietary guidelines and Nutrition Facts Panel, along with food waste and sustainability, making the text relevant and interesting for today's students. Visual Chapter Summary learning objectives, a newly revised suite of Nutrition animations, mobile-accessible and improved NutriTools, new Health Connections case studies, and new author-narrated Focus Figure walkthroughs have all been added to help students learn more effectively. Personalize learning with MasteringNutrition MasteringNutrition is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Interactive, self-paced tutorials provide individualized coaching to help students stay on track. With a wide range of activities available, students can actively learn, understand, and retain even the most difficult concepts. ^ 013416749X / 9780134167497 Nutrition & You Plus MasteringNutrition with MyDietAnalysis with Pearson eText--Access Card Package, 4/e ^ Package consists of: ^ 0134167546 / 9780134167541 Nutrition & You 0134209389/ 9780134209388 MasteringNutrition plus MyDietAnalysis with Pearson eText -- ValuePack Access Card -- for Nutrition & You ^

Customer Reviews

I didn't like the textbook version because it was so colorful and distracting. The linear pared down version of the eText is so much better. There's not all kinds of distracting boxes and pictures everywhere. It's all in a linear format so you come across it more naturally when you read.
