Customer Reviews

I don't need to wrap presents often, so having this organized way of delivering them is a big help. There is an excellent selection of patterns, which I love. I just sent a couple of gifts to a relative wrapped in the Japanese blue prints. Easy to use, and they made the gifts seem just that little extra bit special.

This is such beautiful paper. I wrapped presents today with it, and all my sons (!) commented on how attractive the presents were. (That NEVER happens!). All the sheets of paper come in a tear-out pad. Each sheet, once torn out, unfolds and opens to 4 x its size in the pad. In the front of the pad is a page that gives lots of ideas for using the wrapping paper in very artistic ways.

This is high quality wrapping paper! I just snapped a pic of the present I just wrapped and wanted to show you how beautiful it really looks. I paired it with Berwick Splendorette Crimped Curling Ribbon, 3/16-Inch Wide by 500-Yard Spool, White and I came up with a beautifully wrapped gift I can't wait to give. I do wish that the wrapping paper was larger for bigger gifts, but you can't help but enjoy the

process of wrapping your gift and seeing how nice it is coming out. Being an Prime member, I really needed this quick and it arrived well right on time and well packaged. All the other reviews I read helped me to make the purchase, and I hope mine just pushed you closer to press that "Add to cart" button lol

Beautiful wrapping paper. Gift recipients loved it. It is nice and thick and easy to work with. I like that it is in a book because it is easy to store and keep in good condition.
