## Customer Reviews

Oh I love this cookbook. There are some ingredients that I don't recognize but it's something to just google. I've been looking at air fryer cookbooks and this one has recipes that are definitely interesting: fried tequila shots, Guatemalan orange scented dough, fried artichokes, tuna burgers, country fried steak with mushroom gravy, are examples. It's a fun book. The recipes can be complicated so perhaps this isn't ideal for the novice cook. I just bought this air fryer so this cookbook is certainly a help. The instructions at the beginning of the book on how to use this air fryer are great.
