Synopsis

*** USEFUL KINDLE UNLIMITED TIPS *** Upon its launch in 2007, Kindle was a novelty product. It enjoyed instant popularity. The Kindle allows you to carry an entire library's worth of reading material wherever you may go. Affordable and easy to use, it gives avid readers the joy of accessing millions of authors and titles. Many other versions of the kindle have been released since its initial release. Newer kindles have updated features, such as touchscreen and mobile phone technology. With a Wi-Fi connection, the kindle enables you to download books and store them on your device. Lightweight and easy to transport, it is now a regular on vacations, coffee houses and long legs of travel. Kindles are also amazing for the storage of documents; you can have them right on your device. They are also extremely easy to manage; the instructions are very clear and precise. The capability to read any book at any time, in practically any setting, is another reason kindles have become so loved. High-tech, but easy to manage, the kindle gives you your library at your fingertips. How can you make the most of the new and exciting options the kindle unlimited has to offer? How can I manage my unlimited subscription to get the most benefits? What little secrets are there to maximizing my abilities to navigate and use my unlimited subscription? How can I cancel my kindle unlimited subscription? In this great book, you will discover kindle tips in a way you never imagined. You will become a kindle maven, exploring the secrets of your unlimited subscription and exploiting every benefit.

Customer Reviews

Too many gaffes. interesting information, but people, please proofread your book! You're not helping yourself! Also, reads like a plug for unlimited, despite it's obvious flaws.

I love KU. It's like Netflix for books.

Not very informative. Virtually no specifics, no how-to's. Boring, like it was written by primary school student. Not useful, at-all...

Totally useless
