Customer Reviews

A great user guide for the people who want to become an expert of their tablet. This book contains almost everything that you need to master your experience of fire tablets. Fathomable and lucid

This book is pure on the tablets. It has totally different features than other tablets and in fact these have amazing features and the book tells each and every thing about this. I'm loving it.

This fire user guide is such an amazing book to newbies for fire 7", Just love the way author have mention all the details for reader.

Best device one could one for Kindle. Ordering it now.
