Customer Reviews

I am reviewing this book based on the sixteen recipes that I tried. The recipes were super-tasty.

From the beef Crockpot section, I recommend the Crockpot Ropa Vieja, Crockpot Beef and

Cabbage with Potatoes and Carrots and the Turnip. From the Pork Section, I recommend the Honey

Ribs and Rice, the Chinese Pork Roast and the Green Beans Portuguese Style. From the Chicken section I recommend the Pork, the Chicken Enchilada Stack and the Peppers. From the lamb section, I recommend the Meatballs with Chutney Sauce, the Indian Lamb Curry and the Stuffed Squash. From the Vegetarian Section, I recommend the Cuban Beans and Rice, the Tofu and Chickpea Curry and the Maple-Hazelnut Oatmeal. I haven't yet tried the bonus appetizer recipes but I'm sure they will be just as great

Everything is good with this books. I am so overwhelmed that I came up with this books. This is what I am always looking for. I can't believe how many delicious recipes are to be found in this book. There is no denying the power and ease of using a crock pot. The recipes look great on my Kindle and on my phone, making it easy to work with as you prepare.

This book has various crockpot recipes which are good for health and really delicious. I have tried a few of them at home till now and I liked Ragout of Veal (beef) most among all of them. The directions to make the recipes are very easy to follow and the ingredients can be found at any near food stores.

Vegetables chicken with italian salad, Then the green beans and water chestnuts. Sprinkle lightly with salt and pepper and pour the salad dressing over the top. Cover and cook on low heat for 5-6 hours. Remove the chicken and vegetables to a serving dish and tent with foil to keep warm. Drain them into a saucepan. Boil them over high heat. Mix corn-starch with cold water until the corn-starch has dissolved.

Oh wow too many crockpot recipes to choose. From beef, pork, chicken, lamb and vegetable. I am new to lamb recipes, So what I did was tried this Indian lamb curry and wow it was tasty and it has kick on our mouth. It was really spicy but so delicious. My family was happy and they loved it. Thanks a lot because their smile while eating the food i prepared was priceless.

There are so many advantages of using a crockpot over the modern ways of cooking. When using a crockpot, food cooks slowly and it melds together nicely.
