# Miracle Man: The Story Of Jesus

## Synopsis

Miracle Man is a beautifully illustrated biography of Jesus Christ by award-winning author and illustrator John Hendrix. For all Christian denominations and perfect for families to share throughout the year, this book will be especially beloved by the faithful as a gift for Easter, communions, christenings, religious graduations, and all other secular holidays. This book freshly reinterprets some of the oldest and best-known stories in human history and focuses on some of the many miracles that Jesus performed before his crucifixion. Jesus' miracles are endless. From the large harvest of fish to washing the unclean, healing the sick, feeding the poor, and walking on water, Jesus performs feats that draw in believers that he is the Son of God. Unfortunately it also attracts the attention of nonbelievers, who saddle him with the cross he must bear. After all of his miraculous acts, the book closes with a final wonder for all to see: "one that changes faith and religion as the world knows it, forever. The book includes a list of Bible stories that inspired it. Award-winning author and illustrator John Hendrix offers his most personal work to date. Known for his striking use of illustration mixed with custom fonts, his depiction of the life of Jesus Christ will be cherished by the faithful everywhere.

## Customer Reviews

I liked this book. It had great pictures and a good story but there are two main things that stopped me from giving it 5 stars. First some of the writing is in the picture of in a fancy text. As an adult this

is fine but as I encourage my son to read it is a hard for him to realize it is part of the story. Also the very end talks about Jesus dying and then ..... there is a picture of him alive but no words? I wanted a HE IS ALIVE type page not nothing. I was disappointed as after all the fancy drawings and words it was a huge disappointment. I liked the pictures as they are not super cute so my older child could enjoy this book too.

**Summary:** The story of Jesusâ™ life is told from a Christian perspective, with an emphasis on miracles he performed. The narrative begins with him calling his disciples from among the fishermen, then continues with various healings, Jesus calming the waves and walking on the water, and the miracle of the loaves and fishes. His last supper is recounted, followed by his crucifixion, which is alluded to, but not shown in the pictures (something this reader, who was traumatized as a child by a book called The Easter Story for Children, appreciated). The resurrection is covered in two pages, one showing a wrapped body lying in a tomb, the next showing Jesus in white, standing outside the tomb, and the sentence, âœBut Godâ™s Son, Jesus, the Miracle Man, had in store one last glorious miracleâ•. An authorâ™s note explains how he came to create this book, and the process of choosing from among the stories of Jesus in the Bible, which necessarily left out some of the story. 40 pages; grades K-4.

**Pros:** The beautifully designed illustrations, incorporating some of Jesusâ™ words into the pictures, are worthy of Caldecott consideration (would a group of 21st-century librarians recognize a book that is clearly written from a Christian perspective?). The simple text is a good introduction to Jesusâ™ miracles and many aspects of his life.

**Cons:** As noted by the author, this is a selection of stories, and some key parts of Jesusâ™ life (birth, John the Baptist, Sermon on the Mount, Mary Magdalene) are excluded.

The gorgeous art in this book is enough of a reason to buy *Miracle Man*. However, the retelling and reimagining of the miracles of Jesus makes for a fascinating read and perhaps a good way to introduce children to the stories of Jesus' life.

We borrowed this from our library and LOVED it! Written and illustrated cleverly by @johnhendrix "Miracle Man -The Story of Jesus is a unique and creative retelling of the very familiar story of Jesus. Beautifully written, it held my children's attention to the very end! The illustrations are captivating, and the way he makes the stand out words part of the image brings them to life in such a real and almost tangible way! Will be adding this book to our home bookshelves for sure! â•¤ï•

My family and I just LOVE this book! The illustrations and wording are beautiful and unlike any other children's book about Jesus that I have read before. It truly makes the story of Jesus come to life for a new generation. This book is biblically sound and I believe it to be a treasure for any family's home library. Thank you John Hendrix!

Perfect for everyone, not just children! A must-have for every Christian home or business. My husband and I loved it. The illustrations are incredible and each time you look at it you see a new detail you missed. The author's notes at the end touched our hearts as he showed us his.

We are flipping out in my office, high in the church building, over this book. Not only is it BEAUTIFUL, but the story itself is so wonderfully crafted to focus on the "Miracle Man" - who brings life from death. I highly recommend this book as a christian educator and will be sending copies to all my family and friends.

This book is great! I am consistently upset with the lack of artistic talent in Christian children's books. This one is chalked full of biblical truth, and beautiful illustration! Highly recommend.
