## Customer Reviews

This is precisely what my child needed. It didn't cost anything to deliver here however because of

the weight it was truly costly to send abroad!! That was my issue, not theirs. It is simply intense having family in Army fear away . I generally experience difficulty with incidentally smoldering sautéed onions in view of the high btu's of my cooktop. I know they're appallingly costly yet I do think the nature of the completed item was far unrivaled

Recipes are easy to follow and tasty. The book presents an interesting array and a tasty bonus.
