Cody: Crashing The Party [Pack Leaders 3] (Siren Publishing Classic ManLove)

Synopsis

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Alpha Cody Peterson knows there is no shame in asking for help when wolf shifters are going missing, especially not when the help comes from enforcer Morrow Parks, who turns out to be his mate. Morrow is the older brother of a neighboring pack Alpha. They've suffered losses, too, and information provided by the Peterson pack may be the key to locating the missing shifters. Morrow has always been all about the job and his duty as an enforcer, but he hadn't planned on Cody entering his life, and he's not quite sure how to handle the distraction. Balancing the job of finding their missing pack-members and starting a relationship isn't always easy, but working side by side does have its benefits, and Cody sure as hell isn't going to let Morrow push him aside while they're on the job. If they're going to find what is lost, they need to be a team in every sense of the word. **
