Futanari Wife

Gabrielle Prevot

Synopsis

We have no idea why it's happening, but ever since Sunday night, Helen has been growing a penis. Without warming, my wife's clit expands and transforms into a working cock, a big one. At first we were both terrified, but with the appendage come other changes. Helen is different, she's more aggressive and stronger. It's a new side of her that I like. But then why am I ashamed of what I want? Why can't I tell her how cool I think it is? Why is her new monster cock all I think about? Why am I having trouble admitting that I want to please her, that I want to give myself to her, that I want I want that monster inside me? The inspiration for this story comes from the Little Monster series. If you have read that series, you have read a good portion of this story. This story contains masturbation, futanari, futa, futanari on male, pegging, transgender, gender-swapping, and explicit, graphic sex.

Customer Reviews

This is the husband finding his Futa wife from "Little Monster" and is very enjoyable if your into male on Futa sex. For me it's probably the only part of that story worth reading.
