## Synopsis

~ EXCERPT ~âœl will teach you everything, Amelia. You will enjoy it.â•â “ He whispered, as he ran his rough, calloused hands across the nape of my neck, winding his thick fingers around my hair, pulling me towards him. I was on all fours, with my hands tied in front of me and my bottom up in the air. I felt his hands glide slowly along my bottom, hungrily exploring between, gently caressing the soft spot that my wanton exploration of my own womanhood had only discovered minutes ago. For the second time, a wave of lustful satisfaction washed over me, this time at the hand of my owner. One whom spurned contradictions of fear and lust deep within me. Emotions I'd never known could exist in tandem within the bosom of my longing. The titillating way he played with me, through pain and through pleasure, was immensely satisfying.” ~ 10 BONUS STORIES INCLUDED
