Never Cross Dress Near Power Lines

Synopsis

(A gender transformation lesbian romance) Vinnie is floating through life as a lowlife bookie who basically spends his days chasing down people who can't pay off their debts. One of those gamblers is Donald Trask—a scientist on the verge of a major breakthrough. To get Vinnie to erase his debt, Donald lets him use his invention—something that will allow Vinnie to right a wrong from his past. But to do so, Vinnie might have to get in touch with his feminine side in a way he never dreamed possible.
