Taken By Two (Taken And Torn Book 1)

Synopsis

Taken by two enigmatic men, Penelope Sedgewick overcomes demons from the past to learn to thrive in a thrilling new dangerous world. When the missing billionaire Nathaniel Slater reappears from oblivion and kidnaps her, she's sure his dark friend, Rex Renton, is the true one to fear. The nature of their close relationship intrigues her, and as the three are thrown together in a fight for their lives, the sizzling chemistry between them explodes with more heat than the exotic jungle Rex calls home. As each of the unlikely lovers seek redemption for past sins, the three-way love between them grows into an unbreakable bond. MMF/Bi/Male/HEA/M/M with heroine involved only. Mature adult readers only; explicit sexual content and frequent profane language. Fun erotic adventure, not dark, not BDSM. This is a THREE way love story (NOT a love triangle).

Customer Reviews

First of all, I loved DEEP: A Captive Tale. Second, the teasers for Take by Two were insanely hot and did an amazing job of garnering interest. Three, the sex scenes in Taken by Two were ridiculously HAWT! Ok, now why did I give it only 3 stars? It took far too long for a lot of this story to make sense to me. Bar, plane, sex, jungle. I know there has to be more.... I appreciate the spirit of

the opening couple of chapters and I think I even understand what the author was going for with them. But I really didn't quite get what was going on with the story line until about 1/4 of the way through the book. Sometimes that works. This time, it really didn't for me. There is obviously background with that you know will be revealed. The characters obviously have some connection between them. And sometimes the insta-sex thing can start a book off with a bang. I've got characters having incredible sex - panty melting, chair swiveling, mind spinning sex, yet, I have no understanding of why? They knew each other at some point, and then after 20 minutes together (and a couple of hours completely passed out) they are having mind numbing sex? And another guy is watching, and allowing? Again. It. Was. AWESOME sex. And the relationship that built between Rex and Nate was beautiful. Kudos for the MM in this trio. Rex's journey to Nate was so well done. But again, I was almost 1/2 way through the book before I felt like I truly had something substantial to hang my 'suspended disbelief' on. I definitely recommend this book. But I found it disjointed in the beginning. Like driving a clutch for the first time. In the end, I was almost in tears. And I could have almost done so without Penny. Sam Hunt is a really good author, and I will keep reading her stuff. It's just that this one didn't start off very smooth for me.
