Customer Reviews

Great French "closed room" mystery. While reading, the French romantic 19th century style (with those old fashioned tenses that nobody uses anymore) kept reminding me of Alexandre Dumas 's "Count of Monto Cristo" which is another truly fantastic French book that I could not put down. I am trying to not give too much of the plot away, but I was reminded as well of "Murder in Mesopotamia" by Agatha Christie.To conclude, I recommend this old fashioned mystery as well as the book that precedes it " Le mystère de la chambre jaune ". If you are not a French native speaker, my recommendation is: relax, do not stop at every word or tense you do not understand, move on and enjoy.Bonne lecture!

Un roman envoutant, genre policier, où le mystère est bien entretenu et captive le lecteur jusqu'aux dernières pages. Toutefois, la description demande une bonne mémoire.

Too complicated and seemed like it was repetitive with twists and turns on the same theme. I read it because I was looking for something in french to read. Boring to me and hard to figure out the settings described!
