ROCKY And BULLWINKLE: 6 COMPLETE CLASSIC COMIC BOOKS FROM THE 1950-60s - 216 PAGES OF ANARCHY AND MADCAP FUN (CLASSIC TELEVISION CARTOON COMIC BOOKS Book 3)

Synopsis

The Rocky and Bullwinkle Show (known as Rocky and His Friends during the first two seasons and as The Bullwinkle Show for the last three seasons) is an American animated television series that originally aired from November 19, 1959, to June 27, 1964, on the ABC and NBC television networks. Produced by Jay Ward Productions, the series is structured as a variety show, with the main feature being the serialized adventures of the two title characters, the anthropomorphic moose Bullwinkle and flying squirrel Rocky. The main adversaries in most of their adventures are the Russian-like spies Boris Badenov and Natasha Fatale. Supporting segments include Dudley Do-Right (a parody of old-time melodrama), Peabody's Improbable History (a dog and his pet boy Sherman traveling through time), and Fractured Fairy Tales (classic fairy tales retold in comic fashion), among others. In 2013, Rocky and His Friends and The Bullwinkle Show were ranked the sixth Greatest TV Cartoon of All Time by TV Guide. Originally, Bullwinkle was depicted as a sarcastic smart-aleck. On one occasion, "Bullwinkle" encouraged children to pull the tuning knobs off the TV set. "In that way," explained Bullwinkle, "we'll be sure to be with you next week!" The network received complaints from parents of an estimated 20,000 child viewers who apparently followed Bullwinkle's suggestion. Bullwinkle told the children the following week to put the knobs back on with glue "and make it stick!" This book contains 6 complete classic comic books based on the animated television series, including all of the above named characters and segments, from the 1950s and 1960s ENJOY!
