Who doesn't love Mario and his brother? I think at one point, all of us know them. I grabbed this book because I need some light reading materials today. And Mario's enigmatic smile captured me. Reading this has been fun too. I get to learn some trivia about him that I didn't know before. This book also gave info on how Mario started and everything has just been so interesting. The characters were also introduced well. And the jokes are epic too. This has been a truly enjoyable

This book is so awesome that it has the compilations of stuff that you need to learn about Mario - the history of Mario when it began, all the characters in Super Mario and their histories, Super Mario fun facts and many more. Rick Bowser also included some funny jokes and short stories in the book which makes the book so unique. Also he added a Quiz at the end of the book, to make your mind twist a little bit. Heheh. Overall, this is a very great book about Mario. And I highly recommend this book to everyone who wants to go back again to their childhood and reminisce those amazing days to save the Princess from King Koopa. I have always been a fan of Super Mario way back when I was little and I still enjoy playing the different game versions of it. Come to realize that reading this book will change my knowledge about Mario and his crew. Did not know that he saved Peaches first before the princess that I've always thought of, it was kind of cool to know. Now this book is the ultimate guide about the history of Mario and I'm sure that anyone would enjoy reading this. Hoping another version of the book with more pictures.
