# Hidden Histories Of Gordonia: Land Dispossession And Resistance In The Northern Cape, 1800-1990

## Synopsis

The Gordonia region of the Northern Cape Province has received relatively little attention from historians. In *Hidden Histories of Gordonia: Land dispossession and resistance in the Northern Cape, 1800–1990*, Martin Legassick explores aspects of the generally unknown *“brown”* and *“black”* history of the region. Emphasising the lives of ordinary people, his writing is also in part an exercise in *“applied history”* – historical writing with a direct application to people’s lives in the present.
