The Legal Environment Of Business: A Critical Thinking Approach (8th Edition)

Synopsis

For courses in business law and the legal environment of business. Â Help readers understand the legal aspect of business by incorporating critical thinking and ethical analysis The Legal Environment of Business: A Critical Thinking Approach introduces readers to the legal side of business using a clear, well-developed, eight-step critical thinking model. This book uses some of the most significant real-life legal cases to help readers develop their knowledge about the relationship between business and the legal system. Distinguishing itself by emphasizing the critical thinking skills necessary to survive in todayâ™s competitive global business environment, the text also incorporates ethical analysis and considers the impact of values on legal outcomes. Â This Eighth Edition has been updated with more current cases, new suggested readings, and new chapters concerning immigration law and the America Invents Act, which significantly impacts patent law. The text further sets itself apart through additional features that connect the law to other disciplines beyond business, introduces a balanced mix of current and classic cases, and presents lists to encourage further reading and exploration of various topics.
